

Facilities Division

The mission of the CCSD Facilities Division is to build, modernize, repair and maintain schools and administrative facilities that support student achievement and employee productivity. We strive to create a collaborative work environment that encourages all of our colleagues to provide conscientious stewardship of our financial resources and physical assets, and to deliver services recognized by our customers as excellent. The Facilities Division encompasses the following departments: Facilities Asset Management and Maintenance, Construction Management, Demographics, Zoning and GIS, Real Property Management, Contracts, Procurement and Compliance, Building Department, and Facilities and Bond Fund Financial Management.
